Minor Injury and Emergency Arrangement

At Diggity Dog Daycare & Resort, all boarding dogs **Must** be daycare appropriate and will be included in the daily daycare environment. Because of the activity level and interactive nature of daycare, although rare, there is a possibility of injury. We want to follow your wishes concerning these situations.

Do you want to be contacted should a minor and non-veterinarian type issue occur? (examples may be but not limited to "raw paw", broken toe nail, 3 or less episodes of diarrhea, minor ear nip or other light wound)

Yes / No

Emergency local contact & back up caregiver in lieu of development of communicable illness (kennel cough etc) or debilitating injury.
